## Johnson's Workwear Car Care Kit

# Protective car care kit...

## Why invest in a car care kit?

**Protect interiors**  
Covers preserve the quality interior of your vehicle at all times

**Reduce cost**  
A cost effective solution for your business to replace the purchase of disposable items

**Eco-friendly alternative**  
An eco-friendly alternative to single use plastics, generating less hazardous waste

**Thermal disinfection**  
Our industrial laundry process ensures items are cleaned and free from infection

**Reduce carbon footprint**  
Your overall carbon footprint can be reduced with less waste collections required

## Industrial wipers

Keep your hands clean with 100% cotton industrial wipers providing maximum strength, comfort and absorbency. If your business uses rags or cloths for cleaning oil and other substances, make the hassle-free switch to industrial wipers and let us help keep your business moving.

**Sizes**  
Width 38cm Length 36cm.

## Wing cover

Our car wing covers provide a protective barrier between the delicate finish of the vehicle and the oil and grime that may transfer over from clothes and rags when undergoing work and servicing.

Constructed using cotton rich fabric, the covers feature non-scratch rubber buttons with reinforced eyelets. They adjust the wing cover to contour most car engine bays from small city cars to rugged 4x4 pickup trucks.

**Available colours**

Black Grey Navy Blue

**Sizes**  
Fits majority of cars.

Elasticated wing mirror loops

Rubber non-scratch button ensures easy adjustment

## Steering wheel cover

Available in a selection of colours, our steering wheel cover range is available in two options; fully elasticated and elasticated steering wheel covers. Both complement the care kit and offer protection to the interior of the vehicle.

**Available colours**

Black Grey Navy Blue Red

**Sizes**  
50cm stretched fit. Fits majority of steering wheels.

## Seat cover

Our protective seat covers are constructed using cotton rich fabric, promoting durability at all times with the ability to absorb hazardous substances. Available in a selection of colours, our seat covers, along with other items in the range, can be branded with your company logo.

**Available colours**

Black Grey Navy Blue Red

**Sizes**  
Width 60cm Length 160cm. Headrest Cover Depth 30cm. Fits majority of driver seats.
